

## **This is Thanksgiving**

**By: Gracyn Kafana**

Sitting around a table with family and friends  
Eating lots of food until you're stuffed  
Foods like turkey, stuffing, and lots of other things  
We prepared for this day weeks ago  
This day is finally here and so we smile with joy  
We are no longer eating, but all chatting about the good  
And say thanks to all of those we should  
So what is this occasion you might ask  
It is called Thanksgiving and it may not last  
But it will always come each and every year  
Around the same time it came last year
